ACKNOWLEDGEMENT

I express my deep sense of gratitude and obligation to my guide Prof. V. C. Soni for his guidance, keen interest, creative criticisms and endless encouragement throughout my endeavor.

I am grateful to the Head, Department of Biosciences, Saurashtra University, Rajkot, for providing me the necessary laboratory facilities for the work. I am at loss of words to express my thanks to Sumitbhai and Rajanbhai for their friendly co-operation.

I hearty acknowledge the assistance of UGC, New Delhi for awarding junior research fellowship in “Research fellowship in science for meritorious students” program during March-2008 to March-2010.

My thanks are also due to all the teaching and non-teaching staff of this department for guiding me through this endeavor and I remain eternally obliged to them.

I am also thankful to Dr. H. C. Srivastava, Director of Malaria Research Institute, Nadiad for his kind help during the present study.

I am express my whole hearted thanks to my friends, Nikunj Gajera, Jignesh Ramoliya, Vikram Raval, Yogesh, Bhavesh Patel, Chirantan Raval, Megha, Pandey, Ravi Chauhan, Poonam Bhadja, Ashok Vaghela, Naresh Chauhan, Vishal Parmar, Rohan Pandya, Viral, Ashish Patel, Lalit Chariya, Nakum Anil, and my Hostel’s friends Akshay, Jagdish for their kind co-operation.

No words would be sufficient to express my gratitude to my family, for their encouragement and moral support all through the course of my studies.

Suresh Chovatiya
