Acknowledgement

At the outset, I have no eulogy which could recount the inspiring guidance, unparalleled perseverance and ceaseless encouragement extended by my guide Dr. Dileep Kumar B.S., Scientist E I, Biotechnology Division, Regional Research Laboratory (CSIR), Jorhat, during the course of investigation.

With immense pleasure, I wish to place on record my deep sense of gratitude to my joint-guide Dr. Manab Debo, Reader, Department of Biotechnology, Gauhati University, Guwahati, for his active help, encouragement and suggestions at various steps.

I am deeply obliged to Dr. P. G. Rao, Director, Regional Research Laboratory (CSIR), Jorhat, for providing all the facilities and necessary help during the course of my endeavour.

I also acknowledge Department of Biotechnology, Government of India, New Delhi, for providing the financial assistance to carry out this work.

I gratefully acknowledge my sincere gratitude to all the scientists and staff of the Biotechnology Division, Regional Research Laboratory (CSIR), Jorhat, who contributed a lot by means of active help, suggestion and inspiration.

I am highly indebted to Prof. G. U. Ahmed, Head, Department of Biotechnology, Gauhati University, Guwahati for necessary help and suggestions.

I express my sincere thanks to Dr. P. Mohan Kumar, Senior Manager, Tata Tea R & D, Teok, Jorhat for the help rendered during this study.

I will always remain grateful to all my friends and well-wishers who were a source of enlightenment and amiable encouragement during my academic pursuit.

I express my heartfelt gratitude to my loving parents and family members for their affectionate blessings and persistent encouragement during this study.
