ACKNOWLEDGEMENTS

I am greatly indebted to my supervisor, Prof. B. Chaudhuri for his keen interest and helpful advice throughout the investigation.

I wish to record my gratitude to Prof. P. C. Mahanta, Head of the Department of Physics, University of Gauhati, for his encouragement in the present investigation and for providing the necessary research facilities in the department.

I also have the pleasure of expressing my gratefulness to the following:-

To Dr. (Mrs.) A. Chaudhuri, Dr. A. B. Barua and Dr. P. K. Sarma of the Department of Chemistry, Gauhati University for supplying the crystal sample and for their timely criticisms of the findings of this investigation.

To the Head of the Computer Centre, Indian Institute of Technology, Kharagpur, (West Bengal) for granting me a few computing hours for the least-squares refinement of the structure.

To Dr. G. D. Nigam, Physics Department, I. I. T. Kharagpur (West Bengal) and my colleague Dr. S. Jois for their help in computation.

To Sri M. Lahkar, for his assistance in the preparations of the drawings.

To my colleagues in this department for their encouragements.

Department of Physics,
University of Gauhati. AMARENDRA NATH TALUKDAR.
