ACKNOWLEDGEMENTS

At the very outset, I express my heartfelt thanks and gratitude to my research guide, Professor D. C. Goswami, who has been not only my teacher during my Post-Graduation Programme in the University but also a true philosopher and friend in my academic endeavours and efforts to acquire innovative skills in research and professional career.

I am extremely grateful to the Department of Science and Technology, Govt. of India for providing financial assistance to acquire Remote Sensing data and GIS tools in my department in connection with a research project. The data and tools of which has tremendously helped me in preparing this thesis.

I acknowledge my sincere thanks and gratefulness to the following agencies / departments / officials for providing not only data but also warm response and encouragement during the work:

1. The Directorate of Census Operations, Govt. of Assam.
2. The Directorate of Panchayat and Rural Development, Govt. of Assam.
3. The District Administration, Nagaon.
4. District Rural Development Agency (DRDA), Nagaon.
5. Sub-Deputy Collectors (SDC), Nagaon and Kampur Revenue Circle.
6. Senior Block Development Officer, Kathiatioll Development Block.
7. Office of the Executive Engineer, Public Works Department, Nagaon Division
8. Gram Panchayat Secretaries and Presidents.

I am extremely thankful and grateful to Dr. P. S. Roy, the then Dean, Indian Institute of Remote Sensing (IIRS) for his help in granting me a personal license of ILWIS 2.2, a GIS and Image Processing Software during my short term training at the Institute.

I take the opportunity to offer my thanks and gratitude to the Head of the Department of Environmental Sciences, Gauhati University for his co-operation during the research period. I equally express my thanks and gratitude to Prof. Nripendra Nath Sarma, Prof. Suren Talukder and Dr. Bhaben Ch. Kalita, who had been the successive Heads of the Geography Department, Cotton College, Guwahati on various time periods for their co-operation and kind permission to use the laboratory of the department.

I am sincerely acknowledging the help and co-operation during the work offered by the Librarians and staff of the following libraries:

1. K. K. Handique Library, Gauhati University, Guwahati
2. Indian Institute of Remote Sensing (IIRS) Library, Dehradun
3. S. K. Bhuyan Library, Cotton College, Guwahati

I am indebted to my colleagues and friends who have given me encouragement and enthusiasm during troubles and failures of hardware and software systems. Acknowledgements are due especially to Dr. Ranjan Saikia (Ex-Head, Department of Geography, Cotton College, Guwahati) who had been my colleague and companion in the fieldwork on various occasions.

Last but not the least, I acknowledge the help, patience and encouragement provided to me by my wife, Khona during the various stages of work.

(Narayan Chetry)
