ACKNOWLEDGEMENT

It happens to be a difficult job for me to remember all who has immensely inspired and encouraged in preparing my thesis, for the list of names of the persons who oblige me in various respects is long one and I cannot see who stands in a lesser important position than anyone else. Still, there are some persons who are always alive in my mind.

First of all I remember my guide and supervisor Dr. Sauravpran Goswami with profound sense of gratefulness and respect. Without his generous help and kind support it would have been impossible for me to actualize my cherished dream. I express my revered gratitude to him.

Secondly I remember my respected teachers Professor Dilip Kumar Chakravarty, Professor Nilima Sarma, Professor Sibnath Sarma, Professor Girish Sarma, Professor Manisha Baruah, Dr. Bilkish Banu of the Department of Philosophy, Gauhati University for extending their help and encouraging me to complete my work.
