ACKNOWLEDGEMENT

The present work is the result of the research investigation carried on by me on the topic entitled "A Study of the Zamindary System in Goalpara during British regime under the supervision of Prof. D.P. Barooah, an eminent Scholar and presently Vice-Chancellor of the University of Gauhati. I am highly grateful to him for his valuable guidance and advice without which the preparation of this thesis would not have been possible.

I am grateful to Dr A. Guha, Prof. of History, Centre for studies in Social Sciences, Calcutta, for his unfailing courtesy and help in the collection of materials for this work.

My thanks are due to my cousin Dr U. Deka of the Department of Assamese, Gauhati University and others who have, in various ways, helped me in the preparation of this work.
