ACKNOWLEDGEMENT

I wish to express my deep sense of gratitude to my teacher and guide, Dr. (Mrs) Sabitry Choudhury Bordoloi, Associate Professor and HOD, RM & E Division of IASST for constant encouragement and rigorously supervising throughout the course of investigations.

I record my sincere thanks to Director of IASST, Professor Jayanti Chutia for providing all laboratory facilities.

I am thankful to my colleagues Ms. Tutul Bortamuli, Ms. Sushmita Saha, Ms. Banita Ningombam, Ms. L. Nzano Humtsoe, Ms. Jwngma Narzary, Ms. Paramita Chakravarty, Dr. Aniruddha Sarma, Sri. Rubul Saikia and Sri. Budhadev Basumatary, who remained sympathetic and helpful, while I perceived this course.

I am highly grateful to Dr. Nibedita. Sen Sr. Scientist, ZSI, Shillong who helped me in identification of fish specimens.

I sincerely acknowledge the help and co-operation of Dr. Rabindra Nath Bhuyan, Head, Dept of Pisciculture, St. Anthony’s College, Shillong.

My thanks go to Dr. Rana Sarma, Selection grade Lecturer, Dept. of Geography, Pandu College, for his help with the map.

Special thanks are also due to Sri. Niranjan Bhagowati of IASST for helping me in interpreting the statistical analysis. My thanks also go to Sri. Anuj Nag for his help.

My appreciation goes to Md. Chaukat Ali, for his help and support during my entire survey work at Hajo.

I would like to express my gratitude to my father, mother, brother, sisters and all of my family members for their moral support and encouragement towards completion of my research work.

I specially thank my husband and daughters Niki & Gargi who encouraged me always to complete this work.

Anjali Baishya
