LIST OF TABLES

1.1. Blocks and Gaon Panchayats in the District .......................... 37
1.2. Distribution of villages according to the size of population, 1971 .......................... 38
1.3. Some important characteristics of population of Nalbari district, 1991 .................. 39
1.4. Population in different age group, 1971 ................................ 40
1.5. Population of different social groups, 1971 .......................... 40
1.6. Occupational characteristics ........................................ 41
1.7. Land use .......................................................... 42
1.8. Land holding, 1985-86 ............................................. 43
1.9. Cropping pattern, 1985-86 ........................................... 45
1.10. Area under HYV, 1985-86 ......................................... 46
1.11. Yield rates of some major crops, 1985-86 .......................... 47
1.12. Production of crops, 1985-86 ..................................... 48
1.13. Sericulture activities 1982-83 ..................................... 49
1.14. Estimated command area and sources of irrigation .................. 50
1.15. Agricultural implements and machineries .......................... 51
1.16. Agricultural circles and elakas, 1988-89 ........................... 53
1.17. Seed farm and fruit nursery, 1986-87 ................................ 54
1.18. Inputs distribution agencies, 1986-87 .............................. 55
1.20. Livestock density .................................................. 57
1.21. Drought animal .................................................... 58
1.22. Milching animal - 58
1.23. Daily milk production - 59
1.24. Poultry birds in 1982 and 1988 - 60
1.25. Production of eggs - 61
1.26. Types of fisheries, 1986-87 - 63
1.27. Production of fry - 63
1.28. Fishing nets, 1982 - 64
1.29. Periodicity of market places, 1988-89 - 65
1.30. Functions and specialisation of market centres - 66
1.31. Financial institutions in Nalbari District, 1989-90 - 67
2.1. NCEAR scheme of asset classification - 72
2.2. Classification scheme of productive assets - 76
3.1. Land holding pattern, 1989 - 83
3.2. Distribution of land holding sizes, 1989 - 84
3.3. Distribution of cultivating households, 1989 - 86
3.4. Distribution of cultivating households at GP level, 1989 - 87
3.5. Distribution of cultivating households having own land, 1989 - 88
3.6. Distribution of milching cows, 1989 - 89
3.7. Distribution of goats, 1989 - 93
3.8. Distribution of pigs, 1989 - 94
3.9. Distribution of ducks, 1989 - 97
3.10 Distribution of poultry birds, 1989 - 98
3.11. Distribution of pigeons, 1989 - 102
3.13. Distribution of GPs with respect of households having fishponds, 1989 - 104
3.15. Distribution of GPs with respect to the adopter households of modern pisciculture, 1989 - 105
3.16. Average size of fishpond, 1989 - 106
3.17. Distribution of fishpond, 1989 - 108
3.18. Distribution of plough bullocks, 1989 - 109
3.19. Distribution of pumpsets, 1989 - 112
3.20. Distribution of bullock carts, 1989 - 116
3.21. Analysis of variance of productive assets - 117
4.1. Productive assets-population ratios according to land holding categories - 124
4.2. Productive assets-land ratios according to land holding categories, 1989 - 128
4.3. Spatial distribution of productive assets - population ratios, 1989 - 132
4.4. Spatial distribution of productive assets-land ratios, 1989 - 138
4.5. Mean. S.D. and CRV of productive assets - 143
4.6. Classification of productive assets - population ratios - 146
4.7. Classification of productive assets - land ratios - 149
4.8. Status of GPs according to productive assets - population ratios, 1989 - 154
4.9. Status of GPs according to productive assets - land ratios, 1989 - 159
4.10. Overall status of GPs on PAPR and PALR - 160
4.11. Composite status of GPs, 1989 - 164
4.12. Status of GPs, on PALR and PAPR (assets) - 165
4.13. Status of GPs on PALR and PAPR (animal protein producing assets), 1989 - 165
5.1. Road density (Rural), 1989-90 - 172
5.2. Market places and accessibility pattern, 1991 - 177
5.3. Bank facility, 1990-91 - 181
5.4. Veterinary facilities, 1989-90 - 185
5.5. Sources of input supply, 1989-90 - 187
5.6. Agriculture input centres 1989-90 - 189
5.7. Net irrigated command, 1989-90 - 193
5.8. Location of extension services, 1989-90 - 199
6.2. Need for support facilities - 206
6.3. Surplus-deficit analysis of the items of animal proteins, 1989 - 208
6.4. Surplus-deficit analysis of operational requirement of cultivation - 209
6.5. Gap analysis of support facilities - 211
6.6. PALR for self sufficiency under Scenarios-I and II - 215
6.7. Name of GPs and order of development priority - 223
