Acknowledgement

At the very outset, I would like to express my deepest and profound gratitude and deep sense of indebtedness to Dr. S. P. Borah, M.Sc. Ph.D., Reader, Department of Botany, Gauhati University, Guwahati, who with his untiring patience and guidance has enabled me to complete this study.

I want to offer my sincere gratitude to Dr. S. Choudhury, M.Sc. Ph. D., Retired Professor and then Head, Department of Botany, Gauhati University for providing me the necessary laboratory facilities to carry out the investigation. I also extend my deepest gratitude to Dr. B.C. Goswami, M.Sc., Ph.D., Department of Botany, Gauhati University for his valuable suggestions.

I like to express my thanks to Sri Mrigen Das, Principal of Birjhora Mahavidyalaya, Bongaigaon for providing necessary permission and valuable suggestions to do this work.

I extend my gratitude to all colleagues of my college for their fruitful suggestions and encouragement in doing this work.

I also like to extend my gratitude to my brother, sister and brother-in-law who helped me in different ways and encouraged me in completing this work.

I am also obliged to Mr. N.K. Talukdar, General Manager i/c, DIC, Bongaigaon, for his encouraging and valuable suggestions during the period of the work.

My special obligation goes to my wife Srimati Bonti Deka Duarah, Lecturer, Department of Education, Hojai College, Hojai, for her heartiest encouragement and help in every step of work for the completion of my research.

I must thank Dr. G.C. Sarma, Department of Botany, Gauhati University for his help in taking microphotographs.
I like to mention specially the names of Mr. Bhagabat Pran Duarah, Lecturer, Department of Geology, Gauhati University and Bhakti Baishal Duarah who helped me in computer works and for valuable suggestions.

I like to extend my gratitude to my family members, friends and all well wishers for their valuable suggestions and help during my research work.

I also extend my gratitude to Hitesh Sarma of Computech, Computer Education, Pathsala for his help in completing the typing and correction of the thesis.

I must also be obliged to Mr. Pritam Dutta and Kamalesh Das of Microtech Computer Institute, Bongaigaon for their help in composing the graphs and tables.

Dated. Bongaigaon
The 16th September, 1993.
