Sir,

I am extremely happy to forward herewith the Thesis entitled "An investigation on the endocrine activities of Careya arborea Roxb. in albino mice" submitted for the award of the degree of Ph. D. in the faculty of science of the Gauhati University. Ms. Evarani Kalita carried out this piece of research work under my constant guidance and supervision. She has done this work with sincerity and devotion and has fulfilled all the requirements for the preparation and completion of a Thesis under the Ph. D. regulation of Gauhati University, Assam, India.

I certify that the results incorporated in this Thesis are original and this work has not been submitted to any other institution for the award of any degree. The assistance and help during the course of this investigation have been duly acknowledged.

Thanking you.

Yours sincerely,

Dr. J. C. Kalita
