In the course of my present work, I have had the opportunity to discuss my research problem with a large number of persons. Their suggestions have helped me a great deal.

The study was undertaken under the supervision of Dr. Md. Mansoor Alam, M.A.(Double), Ph.D.(Cal), Head-in-charge, Department of Persian, Gauhati University (now on leave). I owe him a great debt for encouraging me to take up this study. His constant help and guidance at every stage in the course of this work have been invaluable. Without Dr. Alam's active suggestions, supervision, sympathetic criticism and constant encouragement, it would not have been possible for me to undertake and complete this work.

My debt of gratitude and sincere thanks to Dr. S.A.H. Abidi, National Professor of UGC and ex-Head, Department of Persian, Delhi University, my esteemed teacher and benefactor, deserves special recognition.

I owe a debt of gratitude to Dr. A.W. Azhar Dehlvi, Prof. and Chairman, Centre of Asian & African Studies, School of Languages, Jawaharlal Nehru University, New Delhi, my
esteemed teacher, who has always encouraged me in pursuit of my research work.

I also owe a debt of gratitude to Dr. N.H. Ansari, Prof. and Head, Department of Persian, Delhi University, Delhi for his constant encouragement, suggestions in completion of the study.

I express my deep and sincere thanks to my friends, Mr. Mahmood Faiz of Delhi and Mr. Khagendra N. Bora of Gauhati for their untiring help in course of my study.

The debt of gratitude also goes to the authorities and staff of Khuda Bakhsh Oriental Public Library, Patna; National Library, Calcutta; Bombay University Library; Gujarat University Library, Ahmedabad; Delhi University Library; Library of ICSSR, New Delhi; Buhar Library, Calcutta; Asiatic Society of Bengal, Calcutta; Lucknow University Library; Andhra Pradesh Government Oriental Manuscript Library & Research Institute, Hyderabad; Gauhati University Library; Cotton College Library, Gauhati; Research Cell, District Library, Gauhati - where the major portion of the work was done.

Finally, this is my proud privilege to extend my admiration, appreciation and deepest feeling to my wife Dr. Parveen Akhtar Hassan for her constant encouragement, inspiration and sharing inconvenience caused during the research work.

I thank all my friends and well wishers who have extended their help in this study in one way or the other.
