ACKNOWLEDGEMENT

I am greatly thankful and indebted to my research guide Dr. Ratneswar Barman, Professor, Department of Geography, Gauhati University whose sincere guidance, help, suggestions, and intellectual freedom from the very outset helped me to complete my research work.

I offer my hearty gratitude to Professor L. Dutta Head, Department of Geography, Gauhati University and all my honorable teachers like Professor H. N. Sharma, Professor M. M. Das, Professor A. K Bhagabati, Dr. A. K Bora, Dr. A Saikia, Dr. P. Bhattacharya, D. Saharia and specially to Rabul Hazarika.

I would like to express my thanks to all members of the Department of Statistics, G.U., specially Professor H. Baruah and some organizations like Assam Remote Sensing Application Centre, Directorate of Geology and Mining, Mr. Barman, Regional Metrological Centre, Guwahati, Borjhar, Soil Conservation office, Town and Country Planning, Central Ground Water Board, Amtron for their kind co-operation and help extended to my academic effort.
I am thankful to my parent and other family members for their kind cooperation, help and constant encouragement which helped me greatly in fulfilling my academic pursuits.

I am also grateful to my well wisher colleagues of Pandu College, Guwahati for their moral support and kind cooperation.

I express my sincere acknowledgment to my well wisher Mr. Anil Boro, lecturer, Department of Geography Tihu College, Tihu for his moral support and constructive comments towards successful completion of this work.

Furthermore, I extend my sincere thank to those institutions and persons who have directly or indirectly helped me in making this research work a success.

Lastly, I am very glad to find the opportunity to express my feeling of thankfulness to other members of the department of Geography, Gauhati University for their affectionate and encouraging help.

(NAMITA DEVI)
