ACKNOWLEDGEMENT

The present thesis is based on the problem suggested by Dr. C.K. Baruah, M.Sc., D.Phil, Reader, Department of Botany, Gauhati University, and the work was carried out under his guidance. I am greatly indebted to Dr. Baruah for his supervision throughout the course of my investigation.

I am also indebted to Dr. D.N. Baishya, M.Sc., Ph.D., Head of the Department of Botany, Gauhati University, for providing necessary facilities in the laboratory to carry out my research works. I express my sincere gratitude to Dr. L.C. Kagti, M.Sc., Ph.D. former Head, Department of Botany, Dr. C.L. Boissya, M.Sc., Ph.D., Professor, Department of Botany, Dr. P. P. Wamenon, Prof & Head of Dept. of Agricultural Botany, Dr. N. K. Das, M.Sc., Ph.D., Reader, Dr. K.N. Bora, M.Sc., D.Phil, Reader, Dr. B. Goswami, M.Sc., Ph.D., Reader, Dr. S. Chowdhury, M.Sc., Ph.D., Reader and Dr. (Mrs). A. Baruah, M.Sc., Ph.D., Lecturer, Department of Botany, Gauhati University, for their constant encouragement and valuable suggestions.

I am thankful to Dr. B.L. Barua, Station-in-charge and Dr. Y.P. Sarmah, scientist, Central Potato Research Station, Shillong, for their kind help in the identification of the races of *P. infestans* and also for providing necessary seed-tubers of potato for my experiments. A word of appreciation is due to Sri R.P. Gohain, M.Sc. Assistant Director, Forensic Science Laboratory, Gauhati for his help in conducting the biochemical
aspects of the investigation.

I extend my sincere thanks to the Librarian and staff of I.C.A.R. library, Shillong for their help in borrowing books and periodicals.

A word of appreciation is extended to M/S Lilly Research Laboratories, Indianapolis, U.S.A., M/S Hindusthan Ciba Geigy Limited, Bombay and M/S Martin and Harris (Private) Limited, Bombay for supplying me sample files of few costly chemicals for my research work.

I wish to place on record my appreciation and thanks to Dr. S.P. Borah, M.Sc., Ph.D., Lecturer, Dr. S. Barthakur, M.Sc., Ph.D., Lecturer, Dr. G. Sarmah, M.Sc., Ph.D., Curator, Sri Nolin Borah, M.Sc., Sri R. Deour, M.Sc., M.Phil, Research scholar, Mrs. Kalyanee Sharma Bhagawati, M.Sc., Research scholar, Miss Rupa Saikia, M.Sc., Research scholar Department of Botany, and Sri G. Phukan, M.Sc., Research scholar (Chemistry) Gauhati University, for their constant help and cooperation throughout the period of my research work.

I am also grateful to University Grants Commission, New Delhi for granting me long term Teacher-Fellowship for doing Ph.D.

Finally, I thankfully acknowledge the kind assistance of Sri Prafulla Kalita in typing out this thesis.

Gauhati
