

## A C K N O W L E D G E M E N T S

I record here my sincere thanks and a debt of gratitude to Dr. Kali Charan Das, Etd. Prof. & Head of the Department of Philosophy, Gauhati University for his valuable guidance and encouragement in completing the study of the subject.

I derived immense help from the library of Gauhati University and from that of the library of Philosophy Department, Gauhati University, without which it would have been hardly practicable for me to get the benefit of some of the rare books.

At various stages of the investigation, I had to pick up the relevant concepts from the study of the main texts and the commentaries thereon. It is worthwhile to note also that I have sincere appreciation and deep respect for the view of those writers.

I also owe a great deal to the Gauhati University for kindly awarding a scholarship to carry out the investigation. I feel obliged to record my thankful appreciation of all benefits I had the opportunity of receiving in this regard.
