ACKNOWLEDGEMENT

Author is highly pleased to express his profound gratitude and sincere thanks to Dr. Madan Mohan Das, Director of Technical Education, Assam, for his invaluable guidance and full hand co-operation throughout the all aspects of this work, which made author’s inquisitiveness a lot more easy.

Sincere thanks and gratitude are also due to Prof. Z. U. Ahmed, Professor and Head, Department of Civil Engineering, Assam Engineering College, for providing computer and laboratory facilities in carrying out this research work.

Author is indebted to Flood Control Department of Assam, for extending full hand co-operation during collection of breach data for river dike of Assam and to Assam Science Technology and Environment Council for providing financial support for constructing the laboratory set-up.

Author feels happy to acknowledge the excellent co-operation of Sri. Narayan Das, Jagat Das and Biseshwar Nath, during his laboratory works at Hydraulic Laboratory of Assam Engineering College.

Heartiest thanks would always be with Pratul Ch. Choudhury, Naina Sinha, Mukta Ranjan Sinha, Benzamin Kamand and Achintya Goswami for their generous helping attitude.

Special thanks go to Mr. S. K. Kakati and Mr. D. Hazarika, for their kind co-operation during library search at IIT, Kharagpur.

A warm “thank you” is extended to Sri. Somenath Deb Choudhury of Copy Centre for his dexterous typing of the manuscript with sincere co-operation.

Finally, author takes the opportunity to convey his sincere thanks and gratitude to all of his friends and family members, specially to Mridula and Tonmi, for their constant inspiration and encouragement.
