

ACKNOWLEDGEMENT

GOD has showered His blessings on me in the successful completion of my research work in a fruitful manner. My heartiest thanks are to my Supervisor and guide Dr.C. Elango, Associate Professor, Department of Mathematical Science, Cardamam Planters' Association College, Bodinayakanur, Tamilnadu, for his guidance, encouragement and definite directions shown in writing the thesis. I express my sincere thanks to him for his contribution in the progress of my thesis.

Next I would like to express my sincere thanks to my co-guide Dr. P. Thangavelu, Associate Professor, Aditanar College of Arts and Science, Tiruchendur, for his timely advice and valuable suggestions for the improvement and finessing of the thesis.

My sincere thanks go to Dr.A.P.Majeedkhan, Chancellor, Noorul Islam University, Kumaracoil, for the encouragement he had given as always to complete my Ph.D work.

My feelingful thanks are to my grandparents, parents, my husband, my dearest children and all my family members for their enthusiastic encouragement and constant support in the preparation of this thesis.

I thank all the faculty members of the Department of Mathematics, Noorul Islam University who have worked with me and given their best as suggestions for improvement with their own methods and ways of approaching mathematical problems at all stages of the preparation of the thesis.

My grateful thanks to my well wishers who helped me in the successful planning, writing and completion of my Ph.D thesis.
