ACKNOWLEDGEMENT

I express my deep sense of gratitude to Dr. C.M. Sarmah for suggesting the problem and invaluable guidance during the course of investigation without whose constant encouragement and helpful suggestion it would have been impossible on my part to complete the thesis.

I am also grateful to Dr. N. Das, Professor and Head of the Department of Agricultural Botany, Gauhati University for providing me the laboratory facilities.

My grateful thanks are also offered to my friends whose words of encouragement were a constant source of inspiration in implementing the undertaken problem.

Dated, Jalukbari, the 14-7-1977.
