

ACKNOWLEDGEMENT

My sincerity knew no bounds to express infinite gratitude to Dr. P. Goswami, M.B.B.S., D.Phil.(Gau), Ph.D. (Glasgow), F.C.G.P., Professor and Head of the Department of Biochemistry, Gauhati Medical College, under whose ever scholastic guidance the present work has been brought to light. During the entire period of investigation his constant supervision and encouragement not only inspired me to complete the work successfully but also creat an unending interest in the subject as a whole.

I am also grateful to the Gov t.of Assam for allowing me to carry out the research work.

I am thankful to Dr. S.N.Das, Dr. M. Ahmed, Sri N.C.Deka, Dr. D.K.Sarmah and other staff members of the Deptt. of Biochemistry, Gauhati Medical College, for their inspiration during this period.

I am especially indebted to Dr. R.K.Mahanta, Dr. Dhiren Sarmah, Dr(Mrs) N.Sinha, Mr. P.S.Raja, Miss Manjushree Goswami and Dr. R.K.Goswami for their encouragement and keen interest shown during this investigation. I am also thankful to Mrs. Mamata Goswami, Mrs. I. Khorana and Mrs. R. Bharali and Mr. S. Sengupta.

I record my thanks to Mr. R.P.Gohain, Mr. T.Sarma Dr. K.Barua of Forensic Laboratory, Gauhati and Dr.R.Baruah of AAU and Dr. B.N.Sarma, Dr. R.Majumdar and Dr. A.R.Nair of RRC (Ay.) Gauhati and Dr. S.Bhattacharjee of G.U. for their helpful advice.

I express my thanks to the Principal, Govt.Ayurvedic College, Gauhati for his encouragement. I am thankful to my colleague friends of Govt.Ayurvedic College for their advice during the occassional period of minor obstacles.

I also acknowledge my gratitude to the University Grants Commission for their financial assistance towards this project.

Last but not least, I am thankful to Sri. D.N.Borah for his constant painstaking and fine typing.

I am thankful to those who have helped me directly or indirectly during this period.

Deptt. of Biochemistry,
Gauhati Medical College,
