Acknowledgement

At the very outset, I express my deep sense of indebtedness to my Guides, Dr. P.K. Chowdhary, M.Sc., Ph.D. (Glasgow), Professor and Dr. A.C. Mazumdar, M.Sc., Ph.D. (IIT, Kharagpur), Reader, Department of Geological Sciences, Gauhati University, for their constant guidance and supervision as well as encouragement and constructive criticism throughout my work.

I am grateful to Dr. P.K. Das, Professor and Head, Department of Geological Sciences, Gauhati University, and Mr. K.C. Barua, Former Head, Department of Geology, Cotton College, Guwahati, for giving me necessary facilities to carry out the work in their respective departments.

I am also grateful to the Commissioner and Secretary, Higher Education Department, Govt. of Assam, Guwahati, for giving me the permission to carry out this Ph.D. work.

I gratefully acknowledge the Council of Scientific and Industrial Research (CSIR), New Delhi, for awarding me the Junior Research Fellowship for the period from 1-10-1992 to 18-01-1994 and the University Grant Commission, North Eastern Regional Office (UGC-NER), Guwahati, for giving me the financial assistance in the form of a Minor Research Project.

It is also a pleasure to acknowledge the inspiration and valuable suggestions that I received from Late Prof. K. Naha, Professor Emeritus, Department of Geology and Geophysics, IIT, Kharagpur; Prof. S.K. Sen, Professor Emeritus, Department of Geological Sciences, Jadavpur University, Calcutta; Dr. A. Bhattacharya and Dr. B. Mishra, Associate Professors, Department of Geology and Geophysics, IIT, Kharagpur; and Dr. D.C. Srivastava, Associate Professor, Department of Earth Sciences, University of Roorkee, Roorkee.

I am thankful to Mr. P.K. Chakrabarty, Extension Officer (D.R.D.A.), Balijana Development Block, Agia, for providing me accommodation and necessary help during the field investigation of the area.

I am thankful to Dr. T.K. Ghosh of USIC, University of Roorkee, Roorkee and Mr. D Das of USIC, Gauhati University for their help in getting the EPMA data and XRF-analyses data respectively.

Thanks are also due to Mr. B.P. Duarah, Lecturer, Department of Geological Sciences, Gauhati University, for his help in taking the photomicrographs.

I am indebted to Mr. Abhijit Thakuria for his constant help in finishing my whole work.

Last but not the least, I am highly thankful to my friends- Mr. Diganta Sarma, Mr. Santanu Sarma, Mr. Priyam Borthakur, Mr. Arun Kr. Agarwala and Mr. Bhaskar Bikash Sarmah; my student-Mr. Binoy Kumar Nath and my colleagues in the Department of Geology, Cotton College, Guwahati for their helps at various stages of this work.
