ACKNOWLEDGEMENT

My sincerity knew no bounds to express infinite gratitude to Dr. P. Goswami, M.B.B.S., D.Phil. (Gau), Ph.D. (Glasgow), F.C.G.P., Professor and Head of the Department of Biochemistry, Guwahati Medical College, under whose scholastic guidance the present work has been brought to light. During the entire period of investigation his constant supervision and encouragement not only inspired me to complete the work successfully but also create an unending interest in the subject as a whole.

I am thankful to Shri N. Deka, Head of the Deptt. of Chemistry, Guwahati Medical College for his constant encouragement and goodwill during the entire period of study.

I am also grateful to Principal, St. Anthony's College, Shillong, for his encouragement and granting me leave for the period of research work.

I am grateful to Principal, Guwahati Medical College, Guwahati for allowing me to carry out the research in Guwahati Medical College.

I am thankful to Dr. S.N. Das, Dr. M. Ahmed, Dr. D. K. Sarma, Dr (Mrs) M. Sinha, Dr (Mrs) R. Devi, Dr (Mrs) D. Das, Dr (Mrs) D. Bora, Dr. R.K. Mahanta and Dr. R. K. Goswami, for their keen interest and encouragement shown during the investigation.

I acknowledge all the pieces of help and encouragement from Mr. A.M. Dutta, Miss. M. Goswami, Mrs. I. Khurana, Mrs. R. Bharali and Dr. Dhiren Sarma during the periods of need.
I acknowledge my gratitude to the Deptt. of Biochemistry, North Eastern Hill University, Shillong for allowing me to utilize the facility for gel scanning.

I record my sincere thanks to my colleagues Dr. B. Bhattacharjee, Mr. S.P. Bhattacharjee, Mr. B.P. Shing of St. Anthony's College, Shillong, Dr. B. K. Ratha and Dr. P. Saikia of N.E.H.U., Shillong for their needful help and encouragement.

I am indebted to all the laboratory office bearer of the Department of Biochemistry, Guwahati Medical College for their constant co-operative attitude which contributes much in uninterrupted progress of the study.

My concluding thanks are reserved for Shri Deben Bora for his excellent and meticulous typing of this thesis with sincerity and responsibility.
