ACKNOWLEDGEMENT

I take the opportunity to offer my gratefulness to Dr. Md. Maswood, Reader in Geology, Gauhati University, for his valuable guidance, all necessary help and constant word of cheer in carrying out this piece of research work.

No less is my sense of gratitude to Mr. A.N. Pathak, Rtd. Director, River Research Station, Assam and to the Gauhati University Authority for giving me necessary permission to carryout this research problem. I thank Dr. D.N.D. Goswami and Dr. C.C. Bhattacharjee, Professors of Geology, Gauhati University for their constant encouragement.

Thanks are also due to Dr. M.N. Rao, Dr. S. Rahman, Dr. P.K. Choudhary and Mr. L.K. Hazarika of Gauhati University, and Dr. I. Haque and Dr. S.C. Goswami of Dibrugarh University for rendering me with their valuable suggestions in course of this research work. I also remember Mr. P.K. Baruah, B.E., Mr. H.S. Hannan, M.Sc., Mr. I. Rasul, M.Sc. (Engg)(U.K.), Mr. Z. Islam, M.E., Mr. D.K. Sarma, M.Sc., M.E., Mr. A. Sarma, Mr. K. Kalita, Mr. M. Rahman, Mr. N.K. Deb, Mr. B.N. Mahanta and Mr. B. Saloi for their timely cooperation.

(HASAN AHMED)
