Acknowledgement

I would like to thank my Professor and guide Dr. K. C. Sarma, for having given me the opportunity to work towards my Ph.D. thesis under his able guidance and support. I am very much grateful to him for his inspiration to learn and explore all the areas that falls under our research field. I would like to thank Prof. P. K. Baruah, Head, Prof. G.K.D. Mazumdar and Prof. P.H. Talukdar. Deptt. of Instrumentation and USIC, Gauhati University, for their valuable suggestions during my research period.

I would like to thank my fellow researchers Mr. Jayanta Barman and Mr. Chandan Saloi for being supportive and co-operative all through my research work. I would also like to thank my research colleagues Sumbit, Rinki. Jyoti, Gitanjali and Kalpana madam for their constant motivation and support during my research work. I would also like to thank all my friends of V.V. Rao Research Scholars’ Hostel for the help and support that they provided during my stay here at Gauhati University. Last but not least, I would like to thank my deceased parents who had been the pillar of support during each and every phase of my educational career.

I would like to gratefully acknowledge the enthusiastic support of Prof. (Mrs.) P. Datta, Head, Deptt. Of Electronics Science, G.U., during this work. I thank Dr. T. Bezbaruah, Mr. S. Rajbonshi and Mr. P. Nath of Deptt. of Electronics Science, G.U. for their help and support. I am thankful to the Principal and all my colleagues of D.K.D. College, Dergaon, specially, Mr. S.N. Bora, Mr. P. Muchahari, Dr. R.K. Bordoloi for their continued moral support during my research period. I am also thankful to the technical staff of the Deptt. of Instrumentation and USIC for their technical assistance and support.

Finally, I am forever indebted to my wife Dipanwita and my daughters Rimi and Riya for their understanding, endless patience and encouragement when it was most required. My sincere thanks also goes to my all other friends and relatives who had helped me in their various capacities at various stages of this work.

Lastly, I wish to express my heartfelt gratitude to the University Grants Commission (UGC), New Delhi and Guwahati Regional Office for award of two years three months Teacher Fellowship under FIP for this research work.

Ranjan Kumar Bordoloi
