ACKNOWLEDGEMENTS

It is highly fortunate for me to have come under the able guidance of Dr. C. SURESH KUMAR, Lecturer, Department of Biochemistry, Sri Krishnadevaraya University, Anantapur. His critical advice, valuable discussions and friendly nature have greatly helped to give the dissertation its present form. My deep thanks are due to him.

My thanks are due to the Head of the Department of Biochemistry and authorities of the Sri Krishnadevaraya University, Anantapur for providing necessary facilities.

My especial thanks are due to my teachers Prof. P. Ramakrishna Rao, Dr. S. Dayananda, Dr. D. Sarala Kumari, Dr. K. Lakshmi Devi, Dr. N. Ch. Varadacharyulu, Prof. K. Venkateswarlu, Dr. R. Ramanjaneyulu, Dr. V. R. Swamy, Dr. P. B. B. N. Charyulu, Dr. B. R. Reddy, Dr. B. Venkatappa, for giving critical and valuable suggestions in completing the dissertation.

I take this opportunity to express my sincere thanks to Prof. T. Pullaiah, Dr. R. R. V. Raju, Head, Department of Botany and Dr. C. Sudhakar for their kind co-operation to utilize culture room facilities and also to Dr. G. H. Philip, Reader in Zoology for his kind co-operation in providing distillation set during research work.
I thank Dr. Ram Rajsekharan (I.I.Sc), Bangalore and Prof. P.B. Kavi Kishore (Osmania University) Hyderabad for their valuable and critical suggestions.

With many thanks, I greatly acknowledge the help rendered to me by my friends Madhu, Rafi, Vijay, Rudrappa, Raghu, Murthy, Venkata Swamy, Sambasiva Reddy, Dr. Radha Krishna Reddy, Dr. C. Sreenivasulu, Dr. P. V. Ramana, Murali, Sathish and Giri for their continuous encouragement and moral support in all my efforts. I express my thanks to my research colleagues Mrs. Rajeswari, Mrs. Sita, Ramakrishna, Mrs. Sailaja, Rajyalakshmi. I also take this opportunity to acknowledge the help rendered to me by the research scholars of Botany Department Anuradha, Nagalakshmi, Vinolya, Nagalakshmi and Anitha.

I would like to record my deep personal appreciation and gratitude to my grandpa, father, mother, beloved brothers and sisters for their patience and affection even at times of neglected due to my pre-occupation with this work.

I am very thankful to CSIR, New Delhi for providing financial support in the form of Junior Research Fellow to carryout the research work.

It would not be completed if I do not mention my indebtedness to Dr. Chitta Suresh Kumar & Smt. Anuradha and loved "Pandu" for extending their affectionate help and moral support throughout this study.

....Vadlapudi Kumar
