Acknowledgements

It gives me immense pleasure to express my sincere thanks and gratitude to Prof. R. Ramakrishna Reddy under whose able guidance the work contained in this thesis has been carried out. I am deeply indebted to him for all the knowledge and experience that I have gained from him during the course of this work. His advice, constructive criticism, numerous suggestions and many fruitful discussions have helped me in attaining a good grasp of the subject and also in improving my technical writing skills. I greatly appreciate his generosity, his patience for meticulous reading and for his personal action of kindness at every stage of my research work.

I would like to express my sincere thanks to Dr. K. Rama Gopal, Principal Investigator, ISRO Research Projects, for several reasons but above all for his consistent encouragement, valuable suggestions and unfailing support.

I wish to express my sincere gratitude to Prof. R. Jeevan Kumar, Head of the Department, Prof. T. Ramanjappa, Prof. K. Raghavendra Rao, Prof. T. Subbarao, Dr. L. Siva Sankara Reddy, Department of Physics, S.K. University, Anantapur for their help and cooperation during my research work in the department.

My special thanks to Dr. K. Narasimhulu, Assistant Professor, Govt. First Grade College, Bellary as scientific discussions with them was always interesting and entertaining.

I am deeply indebted to Dr. Y. Nazeer Ahammed, Associate Professor, Yogi Vemana University, Kadapa for his valuable suggestions and many thanks to Dr. Afdul Azem, Assistant Professor, National Institute of Technology, Warangal for his large interest and support during my work.

I accord my thanks to all other research scientists and scholars of department of Physics; Dr. K. Raghavendra Kumar, Dr. B. Suresh Kumar Reddy, Dr. G. Balakrishnaiah, Dr. M. Penchal Reddy and Mr. S.Mel. Aratith, Mr.A.Peddalingaswamy and Mr. N. Siva Kumar Reddy for providing a pleasant working atmosphere in the department during the entire course of my research.
I acknowledge Mr. S. Venkata Swamy, Computer Programmer, P.G. Examination Section, S. K. University, Anantapur for his help in clearing the technical problems and proper alignment of various chapters of my present thesis work.

I take this opportunity to thank Dr. M. R. Hulinykar, Member of Legislative Council, Tumkur, Government of Karnataka.

I would like to express my special thanks to Mr. Sridhar K.T., Former Executive Council Member, S.K.University, Anantapur.

My deepest acknowledgement goes to my life partner Mrs. Poornima R A. for her continual co-operation and encouragement; she helped me in several ways, which are invaluable. I would like to express my humble gratitude to my beloved daughter Punya Sugoor L.

My sincere thanks to Prof. Chikkahanumaiah, Principal, G.F.G.C., Tumkur and Dr. Jayadevappa, Principal, G.F.G.C., Tiptur.

I share my immense feeling of gratitude with my beloved friends Dr. Chandrasekhar.N, Dr. Homnanjanaiah.D.R, Mr. Srinivasa.Y, Mr. Bhanuprakash.K.A, Mr. Nagaraju.K.V., for their co-operation and support at every stage during this research work.

I thank all my teachers, colleagues and friends who helped me directly or indirectly in completing my work.

Finally, the author is thankful to the authorities of Sri Krishnadevaraya University, Anantapur for providing necessary facilities in the campus.
