ACKNOWLEDGEMENTS

I Express my profound feeling of gratitude and indebtedness to my teacher and affectionate research supervisor Prof. V. Rangaswamy, Department of Microbiology, Sri Krishnadevaraya University, Anantapur, for invaluable guidance, constant encouragement and valuable suggestions throughout my research work.

I express my deep sense of gratitude to Prof. R. Ramanjaneyulu, Department of Microbiology, S.K. University, Anantapur for the invaluable help and support without which the completion of my work would have been difficult.

I am indebted to the faculty of the Department of Microbiology, S.K. University, Anantapur, Prof. K. Venkateswarlu, Dr. P.B.B.N. Charyulu, Dr.B.Rajasekhara Reddy and Dr. B. Venkatappa, for their encouragement and cooperation to carryout my research work.

I owe my sincere thanks to Dr. S. Imthiyaz Ahamed, Principal, National P.G. College, Nandyal for providing the permission and facilities to carryout and complete my research work.

I am very grateful to Sri. D.V. Subbaiah, Retired Agricultural Officer, Nandyal for assisting me in the selection of pesticides, providing knowledge support to analyse soil physico-chemical properties and mediating to RARS,Nandyal to have the facilities.

I thank Prof. K. Veerabhadra Rao, Principal Scientist and Prof. T.Giridhar Krishna, Senior Scientist, Department of Soil Science, Regional Agricultural Research Station, Nandyal for providing help to carry out soil physico-chemical properties.

I thank Dr. J.Jayamadhuri and S.M. Rafi, Research Scholars, S.K. University, Anantapur for their cooperation and support during the course of my work.
I thank B. Suneetha and K. Usharani, Senior research fellows, Regional Agricultural Research Station, Nandyal for their cooperation.

I am thankful to Karimulla and Haribabu, the laboratory assistants, Departments of Microbiology and Biochemistry, National P.G. College, Nandyal, for helping me to prepare the soil samples.

My sincere thanks to Mr. L. Eliyas, National P.G. College, Nandyal who helped me in the preparation of my dissertation.

My sincere thanks are due to my beloved husband Mr. S.N. Rasool, Head, Department of Biochemistry, National P.G. College, Nandyal and parents Sri. S.A. Azeez and Khajunnisa for their inspiration, encouragement and care during the course and completion of my research work.

Any endeavor over a long period cannot be successful without the advice and support of well wishers. I take this opportunity to express my gratitude and application to all of them.

S. JAHEERUNNISA
