ACKNOWLEDGEMENTS

I am highly grateful to my Research Supervisor Dr. R.P. Surendra Kumar, M.Sc., Ph.D., Reader in Zoology, Sri Krishnadevaraya University, Anantapur whose help I value most. But for that I would not have done the work.

I am thankful to Dr. K. Radhakrishnaiah, M.Sc., Ph.D., Head of the Department of Zoology, Sri Krishnadevaraya University and to Prof. A. Bala Thimmaiah, M.D., D.M.R.D., Kurnool Medical College, Kurnool for providing the necessary facilities for completion of the work.

I deem it to express my inexpressable gratitude to my Parents, Brother, who gave maximum encouragement on every moment of my uneasyness and perceived me to set a right path to tread.

My sincere thanks are due to my friends Suresh, A. Sreenivasulu, A. Suresh, C. Mahendra Varma, B. Sebastian Raju, G. Suneetha, R. Dhanunjaya, V. Rama Krishna, G. and Bhaskar, M., whose encouragement and percievation on my endevourse to complete my work. I am thankful to N. Jeelan
who did Typewriting Job neatly and made a good glance of the Thesis.

Lastly, but not least I extended my grateful thanks to the Photographer Mr. M. Rajendra Kumar, who completed lot of work in record time.
