Acknowledgements

All gratitude and praise to The lord, for the ocean of blessings, he has showered on me.

I wish to express my deepest respect and profound gratitude to my supervisor and mentor, Dr. Lalitha R. Gowda for suggesting a challenging and relevant problem and for her valuable guidance, critique, unstinting enthusiasm as well as immense patience. I deeply treasure her moral support and constant encouragement throughout my professional and personal life during the stay.

My sincere thanks to Prof. Ram Rajasekharan, Director, CSIR-CFTRI, Mysore for providing the necessary facilities to work in the institute and permitting me to submit the results in the form of the thesis. I am grateful to Dr. Sridevi Annapurna Singh, Head, Protein Chemistry and Technology, for her constant help and encouragement.

My grateful acknowledgements to Prof. Ramakrishna Gowda for extending his generous advice during the course of investigation. I am also indebted to him for his support and encouragement.

I thank Prof. Balaji Prakash, Department of Biological Sciences and Bioengineering, IIT, Kanpur for useful discussions, kind help and expertise in modeling studies. I am grateful to Dr. Asha Martin and Dr. A. G. Appu Rao for useful discussions.

I am indebted to all scientists, staff members in the department, both past and present for creating an inspiring working atmosphere to complete my research work. The help rendered by Ms. Anupama, Mr. Ramakrishna, Mr. Gopal, Mr. Lokesh, Mr. Brahmalina and Chikkaswamy are profoundly acknowledged.

It is my profound duty to thank CSIR, New Delhi for the financial support in the form of a fellowship. I sincerely thank the staff of FOSTIS-Library, Cell Culture facility and Central Instrument Facility and Services for their timely help provided throughout my research work.

I owe many thanks to my labmates and colleagues, Santhosh, Vivek, Devavratha, Lingaraju, Deepa, Jimsheena, Ganesh, Jaba, Vivek Jr., Hari, Vijay, Yashavanth, Latha, Rajashekhar and Rohini for their company, friendship and cooperation.

I cherish the help and support of all my friends, Ajit, Rajan, Chandu, Amit, Prasanth, Niranjan, and Sunil who have been with me throughout my personal and professional moment of glory and despair. Our days of working together, discussion of science and otherwise, moment of fun, all have made my stay in CFTRI memorable. Many thanks to the companionship and affection.

Very special thanks to my M.Sc. teachers, Prof. H. S. Prakash, Prof. Bharathi P. Salimath, Prof. Ramachandra Kini, Prof. Shekhar Shetty, Prof. Umesha, Prof. Niranjana, Prof. Ravishankar, Prof. Udayshankar and Prof.
Chandranayak, who not only showed the light but also have motivated towards the achievement of my goal.

If not for the support and guidance of my loving family, I would not be here today. No words suffice my gratefulness and how indebted I am to my father and mother, whose inspirations and care have helped me to move ahead successfully. They are like my user i. d. and password. I have saved the best complements for my loving and affectionate parents, who stood all the way by making me stronger.

I express my deep gratitude to my affectionate brothers, Santosh and Manoj, and my bhabhi Anita, whose inspiration and care have helped me to move ahead successfully. Special thanks to my little nieces Muskan and Pallavi, whose mere presence in my life inspired me to move ahead successfully.

Knowledge is piling up facts, and wisdom is simplifying it. Thanks to the creators of google, entire web sources, journals, magazines, newspapers for helping me in acquisition of thoughts and translation of scientific knowledge.

Vinod Kumar
