ACKNOWLEDGEMENTS

It is a great pleasure for me to place on record my indebtedness to various individuals and institutions from whom I have derived help in pursuing and completing this thesis.

I do not have adequate words to express my gratitude to my supervisor and mentor, Prof D Venkateswarlu. The fact that the thesis has been completed and I am in a position to write this acknowledgement is mainly because of his cooperation, constant encouragement and close supervision of my work. My special thanks to Mrs Hemu for her encouragement and support right from the beginning. Their parental affection eased my burden considerably. I take this opportunity to thank them profusely.

I am extremely indebted to my parents for their extreme cooperation specially to my mother who was a great source of support and confidence in pursuing my work.

I have no words sufficient to express my sincere feelings of gratitude to my maternal uncle who supported in various ways to undertake and complete my doctoral work. I can only say that I owe a great debt of gratitude, reverence and thankfulness to him.

I should place my sincere thanks to my brothers Mohan and Jaya Krishna who helped me at each and every stage of work. I am thankful to my sisters Teja and Sujatha, my cousin Prasad for their moral support.

My special thanks to my husband for his cooperation in completing this work. I have also to remember at this stage the neglect that my infant baby, Goutham, had to bear during the last stage of my work.
I am especially thankful to Prof. C.P. Kassamah, Prof. Jacob Jayaraj, Prof. M.S.N. Reddy and Dr. S. Bhaskar for their continuous encouragement and support.

I am also thankful to Prof. V. Kodandaram Reddy, Dr. K.V. Sanna, Dr. Bala Krishna who helped me in computer processing and analysis of data.

My heartfelt thanks to my beloved friends Sheela Hari Padma Sarada Jyothi and others who helped in different stages of my work.

I am grateful to all my respondents who are the main source of the primary data collected by me.

I am also thankful to the Library staff of S.V. University Osmania University, Hyderabad University, Centre for Urban Studies, Hyderabad ICSSR Regional Centre Hyderabad for the cooperation they extended during reference work.

I am also remember with gratitude various help extended by Sri S. Krishnaiah and Sri C. Subramanyam non-teaching staff of the department during my work.

My special appreciation goes to Adyar Students' Union Centre particularly to Mr. Ramesh Kumar, Tirupati for the nice get-up given to the thesis.
