Acknowledgements

I express my deep sense of gratitude to my thesis supervisor, Dr. Rakesh Kumar Bajaj, Associate Professor, Department of Mathematics, JUIT, Waknaghat, for his guidance, encouragement and invaluable suggestions that made this research possible.

I am grateful to Prof. Harinder Singh, Head, Department of Mathematics, JUIT, Waknaghat, for his continuous motivation and support. I sincerely appreciate Jaiprakash Sewa Sansthan for providing me the opportunity to do this research work. My special thanks are due to Prof. S. K. Kak (The Vice Chancellor, JUIT, Waknaghat) for his help and encouragement. I acknowledge my thanks to Brig. (Retd.) Balbir Singh (The Director), Prof. T.S. Lamba (Dean, A & R) and Prof. Karanjeet Singh (Maths) who have always been a source of inspiration to me.

I would like to thank Prof. P. B. Barman (HOD, Physics) for his motivating words throughout my work. I would also like to express my sincere gratitude and indebtedness to Dr. Nitin Gupta, Department of Mathematics, IIT Kharagpur for his guidance and encouragement time to time. I wish to record my gratitude to Prof. Bani Singh and Prof. Alka Tripathi, JIIT, Noida for their constant support, encouragement and cooperation during my post graduation and my research work.

My special thanks are due to Dr. Gaurav Garg, Assistant Professor, IIM, Lucknow and Dr. Shri Ram, Deputy Librarian, Learning Resource Center, JUIT, Waknaghat for providing me necessary references and books.

My deepest sense of indebtedness goes to my beloved parents and family members for their constant encouragement and moral support during my research work. Words are not adequate to express my thanks for the love and support of my wife Mrs. Neetu Saharan who patiently endeavor my long absences at home during the length of this work.
