I am grateful to Mr.Sandeep Kadam for their prompt service in completing this manuscript in time.

I am very curious about the learned person who will work as referee on my research work. However, this phase of evaluation of my research is very important which will ensure my research to be able to be awarded Ph.D. degree. I hold high respect of the person working as the referee on my research because it is going to finalize the outcome. I express my sincere gratitude towards the honorable referee who is going to become responsible for making me doctorate. I am fortunate enough to go through this process.

I want to show debt of gratitude to my parents, brothers and sisters. I am similarly aware of responsibilities shouldered by my wife Mrs.Chayya Sonawane, Sons Kushal and Pushkar for all their moral support, love and encouragement is so appreciated.

Thank you,

- Mr.SonawaneN.S.
