ACKNOWLEDGEMENTS

I take this opportunity to express my deep sense of gratitude to my research guide Dr. P. C. Nagesh, Associate Professor, Department of Geology for his encouragement and cooperation. His invigorating guidance, valuable and timely suggestions and fruitful discussions helped me in carrying out this research work. I thank him sincerely for his friendliness, patiently correcting mistakes, encouraging my ideas and supporting me during every stage of my work.

I am indebted to Dr. N. Shadakshara Swamy, Chairman, Department of Geology, Bangalore University, Bangalore, and other faculty members of the Department viz., Prof. T. J. Renukaprasad, Prof. T. S. Suresh, Prof. B. C. Prabhakar, Prof. H. C. Vajrappa, Prof. K. L. Narahari Rao, Dr. S. Channabasappa, Dr. M. Jayananda and Dr. N. Malarkodi for their continued executive support and encouragement.

I thank Prof. M. Sekhar, Prof. M. S. Mohan Kumar, Dr. Jean-Jacques Braun, Dr. Jean Riotte, Dr. Jean-Michel Vouillamoz, Prof. Subramanian, Dr. Laurent Barbiero, Dr. Marc Descloitres, Dr. Laurent Ruiz, Dr. Anatoly Legchango, Dr. Jean Cristophe Maréchal, Dr. Robert Wyns, Dr. Sonia furian, Dr. Lakshman Nandagiri and Dr. Precia Oliva, Indo-French Cell for Water Sciences (IFCWS), Department of Civil Engineering, Indian Institute of Science, Bangalore for the amenities, It was incredible debit for me to execute multi faceted experimental project output.

My thanks to Dr. A. Rajanna, Director, Kanweerpal, IFS, Commissioner, Sathish, IFS Chief Conservator of Forest, Joint director’s and friends of Watershed Development Department for their enormous interest in my research encouraged me to complete this work.

I thank to all the students and researcher of the Indo French Cell for Water Sciences Dr. R. R. Murari Verma, Harshad P, Mohan Reddy, Dr. Yusef Javeed, Rashmi, Prakash, Sushma, Nagesh, Ravi, Uma, and Venu for their support in my work. I also thankful to all the research scholars and friends Chandan, Dr. Rashmi, Dr. Mahesh, Dr. Radhika, Sri. Krihna Rao, H. K. Murthy and other friends Department of Geology, Bangalore University for their kind coordination.
With a sense of admiration, I thank Adelph Bost, Julia, Sandhya Chennu, Joanne, Carol, Fathimata, Heidi Lissener, Simon Flury, Mathau Bec, Dolphin, Caroline Girard, Dr. Veena S, Anuraga jain, Anandi, Edward Paskal, H. Johan, G. Mathilde, Charlenne, Dr. Odil, Dr. Stephen, Orel, Alison, Wood, Michel and Praveen for their excellent companionship and help during the course of this work.

Special thanks are to Dr. Kantharaju. D. C, Anil Putane, Balachandra B. C. Sanjeeva, Giriraj and Priyanka for their consistent support.

I am thankful to Deputy Conservative of Forest Bandipur Mr. Rangegowda, the Ranger forest officer’s Jayendra, Manjunath, Sakappa, Shankarra, and Devraj for the kind cooperation to execute the research work in the reserve forest.

I really thank to non technical staff at IISc and Dept. of Geology especially N. Parashivamurthy, H.M. Mallanna, Gnamoji Rao, Nagashankarappa, S. Venktesh, Kiran and all the staff. I can’t forget my travel agent Girish, my drivers for their good driving and cooperation during the study Prakash (2.prakash), Putta, Manju, Mohan, Anand, Ceril, Umesh, Babu, Shivaji, Lokesh, Devaiah, Anil, water Manju, Abdul, Mallesh, Yogish, Sharif and Gopi.

I am thankful to have good workers from Mulehole check post, Maddur and the villages around for their logistical support and the nice time shared together in the forest and cultivated watersheds.

My Admire and love to Memorable parents & brother (late), Teachers & Friends, Sisters, In-law’s, Nephews, Wife Sunitha S and to my lovely son YoshiKumar for their consistent care helps me to come up in the life with jovial journey.

Last but not least, I sincerely thank all the persons who helped me in non-academic matters to make this experience unforgettable. God Bless you all.
