The work presented in this thesis would not have been possible without my close association with many people who were always there when I needed them the most.

I would like to start with the person who made the biggest difference in my life, my research guide Dr. K. Siddappa Professor, Department of Studies and Research in Chemistry, Gulbarga University, Kalaburagi for his constant encouragement and interest in bringing out the best in me during my research work.

I am thankful to Dr. M. B. Halli, Professor and Chairman, Department of Studies and Research in Chemistry, Gulbarga University, Kalaburagi for providing research facilities to carry out the present work.

I would like express my sincere gratitude towards my beloved teachers of this department Dr. V. R. Kullkarni, Dr. A. Venkataraman, Dr. B. H. M. Mruthyunjayswamy, Dr. N. M. Goudagon, Dr. J. S. Biradar and Dr. A. R. Saundane for their help and useful discussions during this study.

My special words of thanks should also go to my roommate, Dr. Sharanbassappa Gangshetty, for always being so kind, helpful and motivating.

My acknowledgement will never be complete without the special mention of my research seniors and lab mates Dr. Chandrakant. Reddy, Dr. Tukaram Reddy, Dr. Mallikarjun Metre, Dr. Mahesh Tambe, Dr. Mallikarjun Kote. Mr. Nagabhushan M. M, Mr. Prashant Hanamshetty, Mrs. Nabiya Sultana Mayana and Mrs. Asra Zainab for all their help, constant support and motivation during my work.

I take this opportunity to record our sincere thanks to all other research colleagues Miss. Naghma Shaista, Mr. Mallikarjun Kinni, Mr. Sadu Suryakanth, Mr. Nagesh Yernale, Mr. Shaikh Rahber, Mr. Shivakumar Godipurge,
Mr. Basavraj Narboli, Mr. Anil Rathod, Mr. Kiran Nandibeoor, Mrs. Annapurna Halu and others for their valuable discussion during my Ph.D work.

I extend my sincere word of thanks to Mr. Deene Manikprabhu, Research Scholar, Department of Microbiology Gulbarga University, Kalaburagi for carry outing antimicrobial activities.

My sincere thanks to Mr. G. Manjunatha, Associate Professor, Department of Chemistry, Sri Siddhartha Institute of Technology, Tumkur for his constant support and encouragement.

I express my sincere thanks to the non-teaching staff, Department of Studies and Research in Chemistry, Gulbarga University, Kalaburagi for their kind nature, support and help.

My thanks are due to IIT Chennai, IISc. Bangalore, CDRI Lucknow, SAIF Punjab and BioGenics Hubli for having provided excellent analytical, spectral and biological activities data.

I am very much thank full to Dr. R. L. Raibagkar, Department of Applied Electronics and Dr. M. V. N. Ambika Prasad Department of Material Science Gulbarga University, Kalaburagi for carry outing D. C and A. C conductivity measurements.

Special thanks to my family no words can suffice the encouragement and moral support rendered by my father; Sri. Baburao Mane, mother; Smt. Kamalabai, brother’s; Mr. Sheshikanth, Mr. Shrikanth, Sister; Miss. Shilpa, Sister- in-law; Mrs. Meera, Nephew; Mr. Aayush and other members of my family for all of the sacrifices that you’ve made on my behalf.
