6.1.4 Association of Perception Scores with Personal Characteristics of Students............................................. 207
6.1.5 Attitudinal Profile of Students for Various Aspects of Management of Religiousness in Colleges.......................... 209
   6.1.5.1 Reasons of Students for Joining the SGPC Colleges ......................................................... 209
   6.1.5.2 Satisfaction of Students regarding Religious Management in Colleges........................................... 209
   6.1.5.3 Enquiry of Confidence of Students to remain Baptized and Reasons........................................... 212
   6.1.5.4 Students’ Views regarding Factors Responsible for Decreasing Religiousness of Youth......................... 212
   6.1.5.5 Students’ Suggestions for Improvement of Religious Services in the Colleges.............................. 212
6.2 Management of Religiousness in Colleges- Views of Teachers 213
   6.2.1 Perceptions of Teachers towards Religiosity Management in Colleges............................................... 213
   6.2.2 Perceptions Scores and Personal Characteristics of Teachers................................................................... 216
   6.2.3 Attitudinal Profile of Teachers for Various Aspects of Management of Religiousness in Colleges............... 218
      6.2.3.1 Reasons of Teachers for Joining the SGPC Colleges............................................................. 218
      6.2.3.2 Satisfaction of Teachers regarding Religious Management in Colleges....................................... 218
      6.2.3.3 Enquiry of Confidence of Students to remain Baptized and Reasons....................................... 221
      6.2.3.4 Teachers’ Views regarding Factors Responsible for Decreasing Religiousness of Youth.................. 221
      6.2.3.5 Teachers’ Suggestions for Improvement of Religious Services in the Colleges............................ 221
6.3 Management of Religiousness in Colleges- Views of Principals........................................................................ 221
   6.3.2 Perceptions of Principals towards religiousness Management in Colleges.............................................. 222
   6.3.3 Attitudinal Profile of Principals for Various Aspects of Management of Religiousness in Colleges.............. 224
      6.3.3.1 Reasons of Principals for Joining the SGPC Colleges............................................................... 224
      6.3.3.2 Satisfaction of Principals regarding Religious Management in Colleges........................................ 225
6.3.3.3 Availability of Religious Services in the Colleges............................................. 225
6.3.3.4 Enquiry of Confidence of Principals to remain Baptized and Reasons......................... 228
6.3.3.5 Principals’ Views regarding Factors Responsible for Decreasing Religiousness of Youth........ 228
6.3.3.6 Principals’ Suggestions for Improvement of Religious Services of Colleges.......................... 229
Conclusion.................................................................................................................. 229

7 Perceptions towards College management- A Comparative Study...................................... 233
  7.1 General Management of Colleges – A Comparative View.................................. 236
    7.1.1 General Management of Colleges- Comparative View of Teachers and Principals.................. 236
    7.1.2 General Management of Colleges- Comparative Views of Students, Teachers and Principals ....... 240
      7.1.2.1 Pair Wise Comparisons................................................................. 240
    7.2 Management of Religiousness in Colleges- A Comparative View................................. 244
      7.2.1 Pair Wise Comparisons.............................................................................. 247
    Conclusion............................................................................................................. 248

8 Summary, Conclusions and Suggestions................................................................. 251
  8.1 Data Base and Methodology............................................................... 252
  8.2 Conclusion of the Study................................................................................. 254
    8.2.1 Financial Health of the Colleges......................................................... 254
    8.2.2 General Management of Colleges....................................................... 255
    8.2.3 Management of Religiousness in the Colleges............................... 259
    8.2.4 Comparison of the Views of Students, Teachers and Principals......................... 261
  8.3 Suggestions................................................................................................. 263
  8.4 Scope for Further Research............................................................................ 267
