ACKNOWLEDGEMENTS

It is with great respect, extreme happiness and profound gratitude that I record my deep sense of indebtedness to my supervising teacher and guide, Prof. (Dr.) C.V.Rajan Pillai, University Librarian (Rtd.), Cochin University of Science and Technology and former Prof. and Head, Department of Library and Information Science, Mahatma Gandhi University, Kottayam for his inspiring guidance, encouraging supervision and valuable discussions throughout the course of my Ph.D. Programme.

I bow my head before my most respectful teacher late Prof. K.A. Isaac from whom I derived lot of suggestions during the beginning of the work.

My profound and sincere gratitude to Dr. G.Devarajan, Prof. and Head, Dept. of Library and Information Science, University of Kerala for showing an abiding interest in my work and for the encouragement and constant help.

I am extremely grateful to Smt. K.K. Lalitha Bai, former faculty member, Sri. K.P.Vijaya Kumar, Sri. M. Varghese and Dr. A. Gopikuttan, Members of the faculty, Department of Library and Information Science, University of Kerala for their help at the early stage of my work and constant encouragement.

I wish to record sincere thanks to Dr. S.Raju, Reader, Department of Psychology, University of Kerala for the suggestions at the early stage of my work.

The study would not have been materialized without the support and co-operation of many colleagues in the college libraries. With warm pleasure I am acknowledging every one of them who have collaborated with the investigation and I express my heart felt thanks to them.

During the course of my research programme, I have used the resources of a number of libraries. I am sincerely thankful to the librarians and other supporting staff of all these libraries.

My sincere thanks are also due to Dr. P.B. Sudev, Population Research Centre, University of Kerala for the valuable suggestions and help.

I express my sincere thanks to Smt. T.R. Sushama and other staff of the Madhurima Softek, Ambalathinkara, Kazhakuttom for the neat and timely execution of the work.

I take this opportunity to thank all my colleagues in the University of Kerala for their encouragement.

I owe immense gratitude towards my parents, my brothers, my sister and other family members for their love and support for my work.

Finally, I would like to praise and record my happiness for the loving support, co-operation, understanding and patience of my wife Lethika Mohan and my Children Manu and Padma. Without their continuous love and support in all aspects, I would not have completed the work in time.

Mohana Kumar. T.
