CERTIFICATE

I hereby certify that the thesis entitled "Magnetohydrodynamics - some MHD fluid flow problems" by Mr. S. Sreekanth for the award of the degree of Doctor of Philosophy in Mathematics represents his original work and has not been previously submitted for any other degree or diploma in any university. This research work has been carried out by him in the Department of Mathematics, Sri Venkateswara University College of Arts & Sciences under my supervision and guidance.

(S. VENKATARAMANA)
Research Supervisor
