ACKNOWLEDGEMENT

The author takes this opportunity to express his grateful thanks to Dr. V.R. Krishnan, Ph.D, for his inspiring guidance and constant encouragement throughout the progress of the work. The author wishes to thank Prof. K. Neelakantas, Head of the Department of Chemistry for his active help and encouragement. Thanks are due to Dr. S. Brahmaji Rao for the many useful discussions and to Dr. P. Jayarama Reddy for his help with the figures.

The author is grateful to the University Grants Commission for the award of a research scholarship which made this work possible and to Sri Venkateswara University for providing facilities for the work.
