ACKNOWLEDGEMENTS

It is my privilege to place on record my deep sense of gratitude and indebtedness to my research guide Dr. Philip John, Senior Lecturer, Department of Botany, St. Berchmans’ College, Changanacherry for formulating this programme and for his astute guidance, creative suggestions, reassuring advises and mature counsel all along the course of my research investigation. His careful and thoughtful reading of the manuscript has provided important insights that significantly enhanced the clarity of the text.

My sincere thanks to Prof. Joseph Titto (former HOD) and Prof. James Joseph, Head, Department of Botany, S B College, Changanacherry for providing necessary facilities and my teachers Mr. Antony Joseph, Dr. V. T. Antony, Dr. J. G. Ray, Dr. Skaria K. Varghese, Mr. Joseph Job, Mr. Soni Scaria and Mr. Salvy Thomas for their generous support and valuable advice. I take this opportunity to thank Rev. Fr. Tom T. Kunnumpuram, Principal, St. Berchmans’ College, Changanacherry for allowing me to use the facilities of the college and for allowing me to use the lab at any time.

It is a pleasure to record my thanks to;

Dr. Baby Lizy Markose and Dr. Salykutty Joseph, Scientists, Kerala Agriculture University, Vellanikkara, Thrissur for providing certified seeds for the work.

Dr. G. M. Nair, Prof. and Head, Department of Botany, University of Kerala, Kariyavattom for discussing the various aspects of the work and also allowing me to use the cryotome, image analyzer, stereomicroscope and various other facilities of the department. His guidance and encouragement has helped me to successfully complete this work and in shaping this thesis.

Dr. Seeni, and Mr. Regi, TBGRI, Palode, Thiruvananthapuram for doing the RAPD analysis.

Dr. K. C. Chackö and Dr. E. M. Muralidharan Scientists, KFRJ, Peechi, Thrissur for clarifying my queries in the course of my work.

Ms. Mercy Jose, Librarian, Rubber Board, Kottayam, Mr. Sankarapillai and Mr. George, Librarians, K.F.R.I., Peechi, Thrissur, Dr. R Raman Nair and Mr. Raju, Librarians, Mahatma Gandhi University, Kottayam, for their efforts to secure the sources I needed for the completion of my thesis.
J. Sreekumar, Scientist, CTCRI for the statistical compilation of the results.

Dr. Elizabeth Thomas, Sr. Lecturer, Department of Botany, St. Thomas College, Kozhencherry, for the help and support given to me during the course of my research work.

Abraham. K, Abraham and Sujith A Mathew, Seenai Studio, Elanthoor, Pathanamthitta for the assistance rendered in the preparation of the photographic plates.

My special thanks are due to my lab mates Mr. Pramod Kumar, N. and Mr. Roy, Y. C., and also to Ms. Jaseela, F., Department of Botany, University of Kerala, Kariyavattom for spending time with patience and helping me with the final draft of the thesis. My good wishes and thanks to all the M. Sc students who did their dissertation in our lab during the period of my work.

I acknowledge the ongoing support, love and encouragement of my Great grand nanny, Grand mothers, father, mother, brother, his wife and children David and Joshua. I also acknowledge the support and encouragement of my innumerable friends who encouraged me in the course of my work.

I bow my head before the God Almighty for the bountiful blessings He had showered on me without whose Grace, this work would not have been materialized.
