ACKNOWLEDGEMENTS

I express my deep and profound sincere of gratitude to my respected teacher and research supervisor, Prof. M. DEVARAJULU, Department of Economics, S.V.U. College of Arts, Tirupati. Whose supervision and guidance have done very much to make this study a success. I was lucky enough to carry out this work under this guidance. His constant encouragement, continuous motivation and suggestions were of immense help to maintain a high level of confidence throughout the conduct of the study. Without his guidance and encouragement at every step it would be impossible for me to complete this thesis.
