ACKNOWLEDGEMENTS

It gives me an immense pleasure and pride to express my sincere gratitude and respect for my teacher and guide Dr. R. Nageswara Rao, Chief Scientist, Analytical Chemistry Division, CSIR-IICT, Hyderabad, for his invaluable guidance, inspiring advice and constant encouragement along with the useful suggestions and constructive criticisms during the entire tenure of this work. I consider myself fortunate in that it would have been impossible to achieve this goal without his support and care.

I am indebted to the director Dr. M. Lakshmi Kantam and ex-director Dr. J. S. Yadav, for having given me an opportunity to carry out the work and allowing me to submit in the form of thesis. It is a great privilege for me to be associated with Dr. S. Prabhakar, National Centre for Mass Spectrometry (NCMS), CSIR-IICT for his kind help and encouragement.

My heartfelt thanks to Dr. R. Srinivas, Dr. UVR Vijaya Saradhi, Dr. Debendra K Mohapatra, for their constant support, encouragement and timely advice.

I pay rich tribute to Dr. B. Hari Babu, Head, Dept. of Chemistry; Prof. C. Rambabu, principal; Prof. A. V. Dattatreya Rao, Dean, College of Sciences, Acharya Nagarjuna University, Guntur for giving opportunity of my Ph.D programme in the university.

I wish to express my heartfelt gratitude to Dr. (Mrs.) Sara Khalid, and Mrs Nazeerunnisa Mohammed for their constant encouragement, motivation, care, and timely advice. It is also an appropriate time to remember all my teachers and professors Prof. P.V.V. Satyanarayana, Prof. B. Syama Sundar, Prof. B. Kesava Rao, Mr. Ch. Rajendra Mohan, Dr. GV Ramana, and Mr. NDP Gupta who at various stages of my educational career encouraged me to reach this level and it all is the fruit of their teaching and blessings.

My special thanks to A. Ramesh Babu, L. Sridhar, and Pragney Deme of NCMS, K. Santhakumar of NMR, Chandrasekhar, and M. Mallikarjuna Rao of Organic Chemistry Division for their help without them it would have been impossible to complete my work.

I am grateful to my seniors Dr. Dhananjay D Shinde, Dr. Pawan K maurya, and Dr R. Mastan Vali, and my lab mates K. Nagesh Kumar, K. Guru Prasad, Ch. Gangu Naidu, B. Sravan, S. Sandhya Rani, J. Jayalakshmi, Sk. Saida, N. Narendra Varma and A. Manikata Swamy for creating loving atmosphere at work place.

I owe more than myself to my beloved grandfather G. Nageswara Rao, mother Seethamma, brother Harinath, and sister Durga Bhavani who always dreamt that I reach golden heights and sky is the only limit to my success. On this occasion my heart goes to express deep gratitude to my in-laws Rajya Lakshmi and Siva Kumar for their wishes.

Financial assistance from the Council of Scientific and Industrial Research (CSIR), New Delhi in the form of Research fellowship is gratefully acknowledged.

Ramakrishna Kuntamukkala
