ACKNOWLEDGEMENT

Research is never ending acquisition of knowledge or data, which cannot be done solely by any single person without the help of others. At this point of time I feel that the present work would not have been completed thus far without blessing of my parents and my family members, the able guidance of my teachers, cooperation offered by my friends and the encouragement and support of my well wishers and many other individuals and organizations who were part of my research. I am vastly indebted to all those who have contributed and helped me towards the completion of project work.

I am very grateful to Kadi Sarva Vishwavidhyalaya University and whole KBIPER family for their direct or indirect support and periodic help.

With deep sense of respect and gratitude, I express my gratitude to my esteemed guide, Dr. Maitreyi Zaveri for her invaluable guidance, timely advice, kind co-operation, understanding and constant inspiration throughout the course of the study. I am very thankful to Dr. Pragna Shelat for providing her support with her in-depth knowledge and timely reviews while development of this project. It is a pleasure and privilege for me to acknowledge gratefully, the interest and attention so generously lavished by me.

My sincere thanks to Dr. Gaurang Shah, Principal and Dean, Doctoral studies, for providing me the necessary facility required for this study and for his helpful suggestion throughout. I am also grateful to Dr. A. K. Shukla for giving me judicious propositions.

I am very thankful to the members of Doctorate Review Committee to lighten the path of my research giving valuable suggestions.
I owe a special thanks to Dr. Anita Lalwami, Dr. Divyang Dave, Dr Shrikalp Deshpande, Dr. Divyesh Shashtri, Dr. Hetal Patel, Dr. Lata Panchal, Mrs. Archita Patel, Dr. Punit Parejiya, Dr. Bhavesh Barot, Dr. Sonal Patel, Dr. Bhavita Dhru, Mr. Vinit and Dr. Shantanu Patel for constant encouragement and kind support.

I would like to acknowledge Cadila Healthcare Limited, Zydus Research Center and Gujarat Laboratory for providing me research facility and also INTAS Pharmaceuticals and Troikaa Pharmaceutical for providing me gift samples of drugs and excipients.

On a personal note, I would like to express my special thanks to Mr. Jignesh Banker, who helped me cheerfully throughout the work. This task is impossible without mention of my sister Nirmala, nephew Subham and my nieces Roshni and Rajshree.

I am very thankful to innocent rats and also to Pharmacology department for their help and support.

Finally, I would like to appreciate the endless love, caring, patience and faith shown in me by my parents who stood behind me in every endeavour and have provided constant encouragement whatever the situation.
