ACKNOWLEDGEMENTS

First and foremost, I wish to express my utmost gratitude and heartfelt appreciation to my dedicated Research supervisor, Dr.Y.Sunandamma, Assistant Professor, Dept. of Chemistry, Acharya Nagarjuna University, Nagarjuna Nagar, for her inspiring guidance, advice and encouragement during my entire research program. I am most grateful for all the scientific knowledge I have gained from her and all the fruitful discussions we have had.

I whole heartedly thank Dr.V.Ravi, Principal, SRR&CVR Government College, Vijayawada, Krishna dt, A.P., for his constant encouragement and moral support.

I am also taking this opportunity to express my sincere thanks to Dr.C.V.Nageswara Rao, Reader in Chemistry(retired), Dept. of Chemistry, K.V.R College, Nandigama, Krishna dt., for his constant encouragement during my research study.

I am thankful to all my colleagues of SRR&CVR Government College, Vijayawada, Krishna dt., A.P., for their moral support and constant encouragement extended throughout the investigation.

I would like to thank my co-scholars Dr Y.A.S.J.Prasanna Kumari, Mr J.Saichanda and Mrs V.Parvathi, Dept. of chemistry, Acharya Nagarjuna University for their help and valuable suggestions at all the stages of my work.

My sincere thanks to Ch.Phani Raja Sekhar and Ch.Vinay for their help throughout the progress of the work.

My deepest gratitude goes to my parents for their selfless sacrifice, continuous encouragement, support and unceasing prayers which have enabled me to reach the present position in life. At the same time I express my gratitude to my brother and sister for their heartfull encouragement in the course of the work.

I am also thankful to my beloved Father in law and Mother in law for their encouragement throughout the work. At the same time I am thankful to G.Srinivas, my Brother in law, for his sincere suggestions on further steps during the work.

I fail in my life and duty if I don’t express my gratitude to my beloved wife G.Aruna, my son Yaswanth and daughter Juhita Naga Priya for their encouragement and support throughout the progress of the work.

I wish to express my sincere thanks to the coordinator, Department of chemistry for providing research facilities and all the staff members of Department of Chemistry of Acharya Nagarjuna University for their encouragement. I thank all the authorities of Acharya Nagarjuna University for having given me the opportunity to do my research.

I am grateful to everyone who ever have been instrumental in my laborious, but meaningful task.

At last, I vow very much to the almighty God for having blessed me to do the same.
