Acknowledgement

It is now my pleasant duty to acknowledge profound gratitude to all those who have extended their valuable help and supported in completion of my research work.

I am deeply indebted Dr. Jagadamba Singh ex-reader, Faculty of commerce, Harischendra P.G. college, Varanasi. Under whose guidance and supervision this research work has been done. A part from providing guidance and assistance Dr. Sonu Singh has been a constant source of strength and inspiration to me in the completion of this work. But for his generous help and guidance, with all fatherly touch, it would not have been possible to complete the present work. I felt motherly touch with my supervisor’s wife by which this work had been easier to complete.

I am indebted to Dr. Vijaya shivpuri, Principal, Vasanta college for women, Rajghat, who were always been accessible to me even in the midst of their busy schedules and pressing engagements.

I cannot forget the active and moral support, encouragement and help that I have received from my friends. All my friends have been a great source of strength to me in the completion of study. However, I wish to place on record my thanks to Dr. Ranjan Bhattacharya, Dr. (Smt.)
