ACKNOWLEDGEMENT

At first, the investigator expresses his heartiest gratitude to the supervisor of this project, Dr. Sanjib Mridha, Associate Professor of the Department of Physical Education, University of Kalyani, Nadia, whose logical thinking constructive suggestions and inspiring guidance enable to accomplish the hard work of investigation related to the study and present this thesis in a worthwhile dimension.

Secondly, the investigator acknowledges his indebtedness to all the teachers who brought me up as a qualified person in pursuing this Ph. D. Work.

The researcher is thankful to all the faculty members of the Department of Physical Education, University of Kalyani, for their constructive suggestions related to this work.

The investigator expresses his grateful thanks to Prof. Kanchan Bandhyapadhya of the Department of Physical Education, University of Kalyani, for his inspiring suggestions during the time of this study.

The investigator is directly or indirectly indebted to those personnel of the institutions for their helping hands and hearty co-operation at the time of data collection. The investigator would of course mention the name of Smt. Misti Mandal, Assistant Teacher in Physical Education of Kedernath Institution for Girls, Howrah, are directly indebted for collection of data.
The investigator wishes to express his sincere thanks to the Head masters/mistresses and other teachers of the institutions concerned, where the study was conducted, for their kind permission and suitable management for conducting the research work.

It is necessity to mention that Sri Pallab Kr. Mondal, Physical Education Teacher of Satminsha High School, Diamond Harbour, South 24 Parganas, for statistical calculation which helped data interpretation of this study.

The investigator acknowledges with joyful satisfaction, the hearty co-operation extended by the subjects of his study in conducting the test on them.

The researcher is thankful to Soumik Biswas & Shankar Chakraborty for their help in typological work of the thesis.

And last, but not the least, without the encouragement and co-operation from my family, it would not be possible to complete the project successfully. The researcher expresses his heartiest thanks to his wife, daughter and son who took lot of discomfort during this project.
