ACKNOWLEDGEMENTS

It is with great pleasure that I express my deep sense of gratitude to my esteemed research supervisor Dr. A D Diwan, Senior Scientist, Central Marine Fisheries Research Institute, Cochin for his unstinted guidance, sustained interest, constructive criticism and constant encouragement throughout the study.

I wish to express my sincere gratitude to Dr. E G Silas, former Director, CMFRI for extending excellent laboratory facilities and for his valuable guidance and advice. It is my privilege to thank Dr. P S B R James, Director CMFRI for extending all facilities for completing this thesis. I am grateful to Dr. A Noble, Principal Scientist for going through the thesis matter and making useful suggestions. I acknowledge with thanks the help rendered by Shri M Srinath and Shri M Karthikeyan, Scientists CMFRI, in statistical analysis of the data. I am grateful to Dr. R Paulraj, Scientist, CMFRI, for the help rendered by him throughout my study period.

The timely technical help rendered by Shri A Nandakumar is gratefully acknowledged. I am grateful to Shri P Raghavan, photographer and Shri Keshavan, Artist, CMFRI for photographic and drawing work respectively.
I wish to record my sincere thanks to Shri R N Misra and Shri Khambadkar for their steadfast, selfless assistance during preparation of the thesis. I am thankful to Miss Pratibha Puthran, Shri A K Pande, Scientists and Shri Vijaykumar, Miss Preeta, Sheeba and Yamuna, Senior Research Fellows, for their friendly unrestrained help at various stages of preparation of the thesis.

I take this opportunity to thank Dr P V Salvi former Vice Chancellor, Dr A G Sawant, Registrar, Konkan Krishi Vidyapeeth and Dr K N Sankolli, Associate Dean, College of Fisheries, Ratnagiri for giving me this opportunity for doctoral studies. I am also much grateful to Dr Shrirang Kadrekar, Vice Chancellor, Konkan Krishi Vidyapeeth, Dapoli, for his continued interest.

I wish to express my sincere thanks to Dr. P C Raje, Professor of Fishery Biology, and Dr A M Ranade, Associate Professor of Aquaculture, Dr S R Kowale, Shri P D Redekar, Shri Shirdhankar and to all my colleagues at Ratnagiri for their inspiring encouragement.

I wish to express my gratitude to the Indian Council of Agricultural Research, New Delhi for offering me a Senior Research Fellowship during the period of work.
I am thankful to Miss Isha for her allegiance neat typing of this documentation.

My special thanks are due to my brother-in-law Shri S R Yawalkar for his constant help and fraternal care during my entire stay at Cochin.

Last but not the least, I thank my mother Smt Sumati, Wife Smt Snetra and children Prathamesh and Hrishikesh for patience, love and support rendered by them. I am much indebted to my uncle Shri Madhavrao, aunt Smt Leela, my father-in-law Shri Ganesh Deshpande, and to all my family members for their love, affection and encouragement.
