Acknowledgement

Undertaking research is a personal venture of the researcher but it is only a success when it is executed under the guidance of the learned and experienced guide. I express and own a special debt of gratitude to my honourable guide Dr. Yusuf Khan without whose encouraging and spiritual guidance the thesis would not have been completed. He helped me a lot from time to time and infused his spirit in me to complete the work in spite of many difficulties and hindrances that some time made the thesis work stable. My school authorities, especially the Head Master Mr. Y. G. Joshi, Assit H.M. Dr. Ramprakash Verma and authorities of the school management committee. They all extended their sincere co-operation to me to make this research work possible.

All my colleagues, my friends, my fellow teachers teaching English in other sections of X class, entered into discussions with me while preparing the Diagnostic Test, questionnaire, Opinionnaires and interview schedule. I express my sincere thanks to Mr. M.I. Sharma sir and Mr. Budukale who showed deep interest in my thesis to proceed it to completion.

I am also very very thankful to the Principal of Govt. B.Ed. college, Akola Dr. Bute, Dr. I.U. Khan, Principal of Azar Hussain college of Education Akola, Dr. Jyoti Pawade madam, Mr. Mohan Khatal sir, Dr. Mrs. Wankhade Madam, Principal Shivaji College of Education Amravati, Dr. Gulhane, Navodaya Vidyalaya, Navsari. Dr. Sanjay Kaddkar Shivaji College, Akola for providing valuable guidance, Mr. Rajiv N. Deshpande,
Mr. Vijay Deshmukh, Mr. Satale, Mr. Mukund Kawale, Mrs. Sakhare Madam (Librarian), Mr. Gajanan Yelne (Librarian, Government college of Education), Mr. Sakarkar (Librarian Shivaji college of Amravati) opened for me a treasure of books for study.

I am also very very grateful to the Head Masters of various secondary schools who allowed me to administer the Diagnostic Test in their schools, and filled the Opinionnaires in spite of their busy schedule. Other English teachers of various schools showed great affinity in my work and helped me in actual administering the test. They also had been very co-operative while filling the questionnaires. Dr. Kalamkar (H.M. Jagruty Vidyalaya), Shri Pande (H.M. B.R. High School) also discussed with me about the thesis work to make it accurate and useful.

I am also thankful to my daughter Ku. Madhura (Engineering Student) who helped me by drawing sketches, examining the actual version of the thesis on the Computer Screen and made me concentrate on my studies all the time.

I also thank Mr. Yogesh Marwadi (Computer Operator) who without keeping any professional view, speedily gave the work actual and concrete image of thesis.

I also give my sincere thanks to the students of class X who enthusiastically participated in the Test to enable me to draw conclusions about their short comings.

Thanks to all once again.
