ACKNOWLEDGEMENTS

It gives me an immense pleasure to express my heartfelt and sincere thanks to my research guide Dr. Ashok D. Hanjagi, Associate Professor, Post Graduate Department of Geography, Bangalore University under whose able guidance and supervision, I completed this research work. He guided me meticulously in such a way that I never became. His unique style of handling research problems increased my curiosity and inquisitiveness. He made me totally self-reliable and self-dependent during my research period which increased my confidence level in research. I am afraid words will not adequately express my indebtedness to him. His inspiration and encouragement would remain in me throughout my life.

It also gives pleasure to express my deep sense and reverence and gratefulness to Dr. A. K. Wodeyar, Professor and the Chairman, Department of Geography, Bangalore University, for his continuous encouragement and support which was responsible to complete my research work.

I will be failing in my duties if I do not thank Dr. A. S. Rayamane, Professor of Geography, under his chairmanship I registered my Ph.D in the Department and he supported me lot to complete the research.

I am equally thankful to Dr. B. Eswarappa, Professor of Geography, for his valuable suggestion that he had gave related to urban land use patterns.

My gratitude is due to Sri. I. N. Patil, Assistant Professor for his kind encouragement and blessings which has made me to finish my thesis work in-time, I pray for his good health and prosperity.

I am thankful to Dr. Priya Narayanan, Assistant Professor, Central University, Gulburga for helping me in building Cellular Automata Model,
I bow my head to my beloved Grand Mother Dr. B. K. Savithramma RMP. Mother Mrs. M. S. Rajeshwari Jayaram, Father Mr. D. Jayaram, Aunty Dr. M. S. Pramila, my Uncle Mr. Sharashchandra Babu and his wife Smt. Nagamani Babu and their children Master M. S. Ankush Gowda and Master M. S. Amoghavarsha for their strong moral support and encouragement during the study.

I am very much beholden my brother Mr. M. J. Suhas Gowda and his wife Smt. Isha Gowda, for their encouragement and moral support from begin to till the end.

I am deeply indebted to my better-half Mrs. Renukadevi Abhishek and my gorgeous daughter Baby Aaradhana Abhishek who deserves my unlimited appreciation for allowing me to embark on such a vast study.

My sincere thanks are to Bangalore University providing me an opportunity to take up a research and extending all facilities within the campus.

I wish to acknowledge my gratitude to Bangalore University Library, BDA, BBMP, BMTC, BPCB, BMRDA, BMRCL, Taluk Offices, KSRSAC, RRSCC, Real Estate Agencies and others who provided me good number of books, Data’s and CD’s for my research.

Lastly I express my thanks to my friends, who helped me in the field work and all my other works, Department Colleagues and my friends who encourage me lot to do research.

Bangalore
December 2013

Mr. Abhishek M. J
