ACKNOWLEDGEMENT

It is with a sense of deep gratitude that I would like to place on record the valuable advice and most considerable guidance and help of my teacher, research guide Dr. B.Eswarappa in writing of this thesis and for his keen interest, constant encouragement and regular guidance. He took immense pain in going through several drafts of the thesis and making constructive suggestions for its improvement. I am highly indebted to him for his constant support throughout my research work.

I express my heartful thanks to Dr. A.K. Wodeyar, professor and the chairman, Department of Geography, Bangalore University, Bangalore for his kind blessings and encouragement.

I express my thanks to my teachers Dr. A.S. Rayamane, Professor, Sri I.N Patil, Assistant Professor, Dr. Ashok D. Hanjagi, Associate Professor and all guest faculties and supporting staff, Department of Geography, Bangalore University, Bangalore who have extended all possible help and cooperation in the completion of this work.

I am also very much thankful to Prof. S.G. Murthy, HOD, Department of geography, Government Arts College, Bangalore, Sri. Sanna Masiyappa Assistant Director, Directorate of Economics and Statistics, Bangalore Dr. C.M. Lakshmana, Associate Professor, ISEC Bangalore, Dr. Krishnamurthy, Department of Sociology, Corporation First Grade College, Bangalore.

My special thanks to Librarians, Asst. Librarians of Bangalore University, ISEC and GKV for their valuable help in tracing the relevant literature on the topic of my thesis.

I express my sincere thanks to the Department of Collegiate Education, Principal, Teaching and Supporting Staff, Government Arts College, Bangalore, Dr. H.C. Jagadeesh, HOD, Sri. M.K. Ningegowda Associate Professor, Sri. Munikrishna, Associate Professor, Sri. Manjunathaswamy, Asst. Professor,
Dr. Kantharaj, Department of Geography, Pallagatti Adavappa Arts and Commerce College, Tiptur.

I am also thankful to several officials like district statistical officer, district planning officer, Agricultural Department, Horticultural Department, Directorate of Industries and Commerce, Census Department and others.

I express my in-depthness to my wife Smt. Mamatha K.S. Without her support and cooperation through out my research work. I could not have been able to bring out this research work successful and highest degree of education field successfully. She is one who made me to achieve this highest goal of education by creating a favourable working atmosphere taking the much responsibilities of the family and my son Nithin P. Kumar who missed my love and affection all this time and also I extend my sincere thanks to my family members Mohan, Sudha, Yashwanth, Indira, M.R. Kumar, Chandu and Bindu who assisted me at various stages in carrying out the completion of my research work in time.

I am also thankful to my relatives and my friends who have helped me directly or indirectly for the completion of my research work successfully.

I express my sincere thanks to Sri. B. Nagaraju and Smt. Nagamani for their neat typing and graphical work.

Lastly I owe the responsibility for any computer typing errors, typographical mistakes etc. for which I beg pardon from the professors and examiners of this research work.

K.R. PRASANNA KUMAR
