Acknowledgements

First of all I thank God almighty for being with me to bring this study to its completion and for taking care of me during this time and always. I take this opportunity to thank everyone who extended their sincere and generous cooperation and help for the successful completion of my research work.

I have great pleasure in expressing my profound sense of gratitude to my supervisor and guide Prof. (Dr.) Mary Joseph T. former Director, School of Management Studies, Cochin University of Science and Technology, without whose guidance and encouragement, I could not have completed my thesis work. In spite of her busy schedule, she spared some of her precious time to me for this work. Her moral support besides the scholarly guidance in research is the foundation of this thesis. Thank you, for all the help and guidance.

I am extremely grateful to Prof. (Dr.) Moli P. Koshy, School of Management Studies, Cochin University of Science and Technology, and my Doctoral Committee member, for her scholarly advice, moral support and affectionate encouragement during the course of my research work.

I remember with gratitude and courtesy, Dr. M. Bhapi, Director School of Management Studies, CUSAT, for the help and support extended to me by him and his office. I extend my gratitude to Dr. Sam Thomas, Dr. James Manalel, Dr. N. Krishnan Namboothiri, and all other esteemed members of SMS, CUSAT.

I have no words to express my heartfelt gratitude to Dr P. Indira Devi., Professor, Agricultural Economics, Kerala Agricultural University Thrissur, without whose advice and patient way of sharing knowledge, this work would not have been successful. The extensive discussions we had regarding my work and support she provided in analysing the research data had played a significant role in shaping my thesis.

My sincere thanks are also due to Prof. (Dr.) K.R. Ashok, TNAU, Coimbatore and Prof. (Dr.) Joy P.P Head, PRS Vazhakulam for having sharpened many of my observations. I wish to express my thanks to Prof. (Dr.) S. Krishnan, Head, Department of Agricultural Statistics, KAU.
Thrissur and Prof. (Dr.) Angel Mathew, Assist. Professor, Statistics, Maharaja’s College Ernakulam, for their help in the statistical analysis of the study.

I am thankful to the office and library staff of School of Management Studies, CUSAT, library staff of Department of Applied Economics, CUSAT, Central Library KAU, Mannuthy, Library staff of College of Horticulture, KAU, Mannuthy, Central Library, Kerala University, Thiruvananthapuram, Library staff of CDS Thiruvananthapuram, Library staff of VFPCK, Ernakulam, for the good turns they have done for me, I thank them.

I thank all the pineapple farmers who responded to my request, without whose cooperation and support, my data collection would not have been completed in time.

I am deeply indebted to everyone in my family especially my parents and my wife Sheena and our kids Emilin & Leo, for the difficulties they have taken and without their support, love and tolerance, this work would not have been possible.

Lastly, my thanks are due to those whose names have not been mentioned but who have, nevertheless, played their part in making this research work successful.
