ACKNOWLEDGEMENTS

It would not have been possible to write this doctoral thesis without the help and support of the kind people around me, to only some of whom it is possible to give particular mention here.

This thesis would not have been possible without the help, support and patience of my Guide and Advisor Prof. Dr. V. Natarajan, Head Department of Journalism and Communication, Periyar University, not to mention his advice and unsurpassed knowledge on the area of online journalism.

The good advice, support and friendship of my colleague, Dr. S. Kalyani, has been invaluable on both an academic and a personal level, for which I am extremely grateful.

I would like to acknowledge the support of Amrita Vishwa Vidyapeetham, and its staff, particularly in providing the library facilities and computer facilities of the University, which have been indispensable. I also would like to extend my gratitude to the Department of Communication, for their support and assistance since the start of my program especially the Head of Department, Prof. P. To my family, particularly my son **Vikrant** and daughter **Nikita** and my Mother-in-

Above all, I would like to thank my husband **C. Muthuselvan** for his personal support, the long drives and great patience at all times. My brother and sisters have given me their unequivocal support throughout, as always, for which my mere expression of thanks likewise does not suffice.
