Acknowledgements

I am highly grateful to my Guide Prof. T. V. Ramana Rao for his unconditional support, guidance, valuable suggestions and for his constructive critique in preparation of this thesis.

It is my privilege to acknowledge the present Head, Prof. K. S. Rao and Prof. Datta Madamwar, Ex-head, Department of Biosciences, Sardar Patel University, Vallabh Vidyanagan, Gujarat for providing the necessary facilities within the department.

I extend my gratitude to Prof. Yash Dave and Prof. I. L. Kothari for their constant support and encouragement during my Ph.D. tenure.

I sincerely appreciate Dr. J. S. S. Mohan, Dr. A. S. Reddy, Dr. R. B. Subramanian and Dr. Natraj for providing boost, moral support and encouragement.

I sincerely thank Mr. Nitinbhai for his help in analyzing minerals using AAS and in profiling of sugars and amino acids using HPTLC and Mr. Hiteshbhai for his help in using Image analyzer in the department. I am also thankful to Mr. Tiwari for his help in analyzing ethylene using GC at SICART, Vallabh Vidyanagar, Gujarat.

I am heartly thankful to Mr. Purvesh for his help in carrying out antibacterial work and Mr. Bhavik for his help in analyzing CO₂ using GC.

It has been wonderful to have extraordinary seniors like Dr. Payal, Mrs. Kajal, Dr. Yogesh, Dr. Bushra and Dr. Pinakin as their advice and suggestions were highly appreciable, which has helped me immensely along the way.

I appreciated the encouragement and support of my colleagues Dr. Janki, Mr. Sushil, Mrs. Neha, Ms. Deepti, Mr. Himanshu and Ms. Nandani for their company and encouragement.

My special thanks are due to my juniors Mr. Vinay, Mr. Pramod and Mr. Jay, for their love and affection. I am also thankful to Mrs. Neeta and Ms. Soumya for their company in the lab.

My deepest recognition goes to my family, Father Mr. Ramanbhai, Mother Mrs. Ushaben, Brother Dr. Deepak and Sister Dr. Chandrika, who have helped me in an imaginable way to achieve my objectives and fulfill my dreams. They have been an inexhaustible source of love and inspiration all my life.

I am also thankful to my friends Mr. Jitendra, Mrs. Usha and Ms. Tarulata who have contributed one way or another in making my life easier during my Ph.D. tenure.

I am also thankful to Sadhu Chinmay Das and other saints of BAPS Swaminarayan Mandir, Silvassa for their blessings, love and encouragement.

Last but not the least, almighty Lord Swaminarayan for showering bliss, directing me to the right path, for giving hope and enlightening me all the time.

Prakash Patel
